

BROTHERS GLOBAL EXPORTS

TRUSTED GLOBAL SUPPLIER OF EXPORT-GRADE
AGRICULTURAL COMMODITIES

www.brothersglobalexports.com

Company Overview

Brothers Global Exports is an India-based agricultural export company built to serve global importers, distributors, processors, and bulk buyers with reliable, compliant, and consistent agri-commodity supply. Founded by two brothers with deep roots in farming communities of Rajasthan and an extended operational footprint across North and South India, the company bridges India's agricultural strength with international market requirements.

We operate with a clear focus on quality assurance, traceability, and long-term trade partnerships, delivering export-ready agricultural products that meet international food safety and phytosanitary standards.

Mission & Vision

MISSION

- Supply export-grade agricultural commodities that meet international compliance standards
- Build ethical, traceable, and scalable sourcing networks across India
- Support global buyers with reliable logistics, documentation, and after-sales coordination
- Create long-term value for farmers, buyers, and partners

VISION

- To advance the global adoption of millets by becoming a trusted export partner, delivering export-grade quality through transparent sourcing, farmer-connected supply networks, and dependable international supply chains.
- We aim to position millets as a reliable, sustainable, and scalable grain choice for global food markets by ensuring consistency, compliance, and long-term supply continuity for our international partners.

Product Portfolio

We specialize in the bulk export of agricultural commodities:

Millets (food-grade and feed-grade)

- Pearl Millet
- Sorghum Millet
- Finger Millet
- Foxtail Millet
- Little Millet
- Barnyard Millet
- Kodo Millet
- Proso Millet
- BrownTop Millet

Millets Value-Added

- Millet Flakes
- Millet Flour
- Millet Energy Mix
- Millet Noodles
- Millet Snacks
- Millet Pasta
- Millet Vermicelli
- Millet Rava (Coarse)
- Millet Instant Mixes

Sourcing & Supply Network

- Direct sourcing from verified farmers, FPOs, and certified suppliers
- Strong procurement presence across key agricultural regions of India
- Scalable supply volumes to support bulk and repeat shipments
- Traceability maintained from source to shipment

Quality Assurance & Compliance

Quality and compliance are central to our operations:

- Multi-stage cleaning, grading, and sorting
- Hygienic handling and controlled storage
- Batch-wise quality checks and documentation
- Third-party inspection support (QSS / Geochem / buyer-nominated agencies)
- Compliance aligned with US FDA and international phytosanitary norms

Packaging Capabilities

- Bulk packaging: 20 kg / 25 kg / 30 kg / 50 kg PP or laminated bags
- Inner liners: BOPP / food-grade PE as per destination requirement
- Neutral or buyer-branded packaging
- Export labeling compliant with destination regulations

Logistics & Export Handling

- Containerized shipments (20 FT / 40 FT)
- Port access: Chennai, JNPT–Mumbai, and other major Indian ports
- End-to-end coordination including fumigation, irradiation (where required), and documentation
- Strong association with professional freight forwarders for smooth global delivery

Why Choose Brothers Global Exports

- Export-focused operations with global compliance mindset
- Reliable sourcing and consistent quality
- Transparent communication and documentation
- Flexible packaging and private labeling support
- Long-term, partnership-driven business approach

Business Terms

- Minimum Order Quantity: 1 x 20 FT container
- Payment Mode: T/T
- Terms: 30% Advance, Balance 70% against Scan Copy of B/L
- Delivery Timeline: Typically within 15 working days from confirmed payment, subject to product and volume

Sustainability & Responsible Sourcing

We believe sustainability is about continuity, accountability, and trust. Our sourcing practices support responsible farming, long-term soil health, and stable farmer relationships while aligning with global buyer expectations for ethical supply chains.
